**Read the following section carefully before signing this Application:**

***I understand that this position is not a contract and that volunteering with A Child's Promise International is "at will" which means that either CPI Founder/CEO or volunteer may terminate the volunteering relationship at any time, for any reason, with or without prior notice. I further understand that all volunteer work is continued on that basis and that no board member or other individual of the organization has the authority to alter the nature of the "at will" volunteer status, and Founder/CEO may only do so in a written statement. Further, I understand there is a 90-day trial period that will be evaluated by Founder/CEO at the end of the 90-day period, unless I decide to voluntarily terminate my volunteer service before trial period has concluded.***

***I hereby consent to permit A Child's Promise International to contact anyone it deems appropriate to investigate or verify any information provided by me to discuss my suitability for volunteering with children's programs, background information, past performance, education or related matters. I expressly give my consent to any discussions regarding the foregoing and I voluntarily and knowingly waive all rights to bring an action for defamation, invasion of privacy, or similar causes of action, against anyone providing, or seeking such information. I do not hold CPI liable for any individual actions taken by me on behalf of CPI that were performed without the express consent or permission of CPI Founder/CEO, and not consistent with its policies, regulations, processes, and ethical standards.***

***I certify that I have and will provide information throughout the volunteer recruitment process, and on this application for a volunteer position and in interviews with A Child's Promise International that is true, correct, and complete to the best of my knowledge. I certify that I have and will answer all questions to the best of my ability and that I have not and will not withhold any information that would unfavorably affect my application for a volunteer position with CPI. I understand that misrepresentations or omissions may be cause for my immediate rejection as an applicant for a position with A Child's Promise International, or my termination from volunteering, if I am recruited.***
